

## MobiMoney – Getting Started Guide

### Download:

Search for the “MobiMoney” app in the Google Play Store or Apple App Store and install.

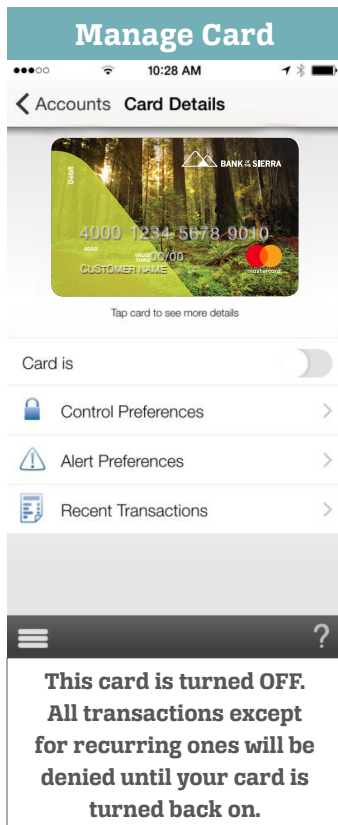

MobiMoney is compatible with any Android device using 3.x OS or newer or any Apple device using Apple iOS 6.x or newer.

### Registration:

- Once download is complete, tap the MobiMoney app icon on your device
- Tap the “login” button at the bottom of the screen
- Tap the “New User? Register Here” button to begin registration
  - Enter your 16-digit card number
  - Enter your address, security code, and card expiration date
  - Enter the last 4 digits of your SSN
  - Accept terms and conditions
- Create your account
  - Select user ID, select password, and enter your email address

If you have trouble registering, verify that the address, SSN, and expiration date being entered in the MobiMoney app matches the information for your Bank of the Sierra account.
